

# NORWALK GREEN LINE EXTENSION STUDY

# What is this project?

Imagine extending the Metro Green Line east from the Norwalk Station to connect to the Norwalk/Santa Fe Springs Metrolink Station.

How can it benefit the region?

How can it benefit Norwalk and Santa Fe Springs?

# Why are we here today?

- Inform you about the study purpose, process, schedule and opportunities for involvement.
- Hear your thoughts and ideas about:

What are the issues and challenges with the Green Line extension?

How should proposed alternatives be evaluated?

What solutions make sense to you?

What are the best ways to communicate with you?

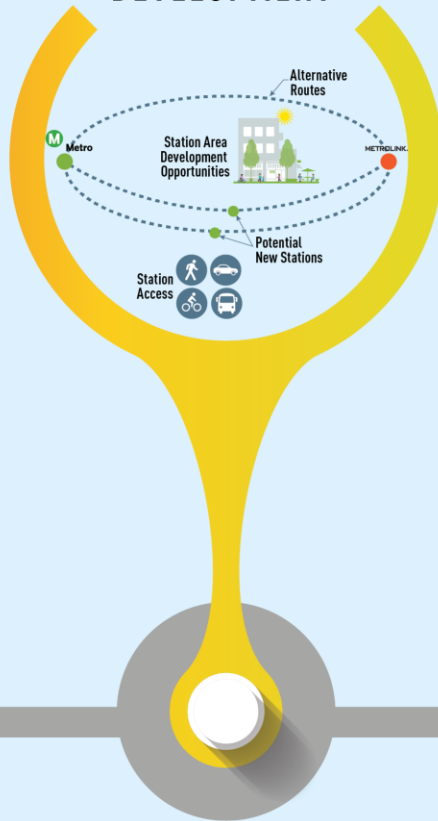

# What will be included in the study?

## ALTERNATIVE TREATMENTS

# What are the study next steps?

## ALTERNATIVES DEVELOPMENT

SPRING/SUMMER 2017

## NEXT OPEN HOUSES

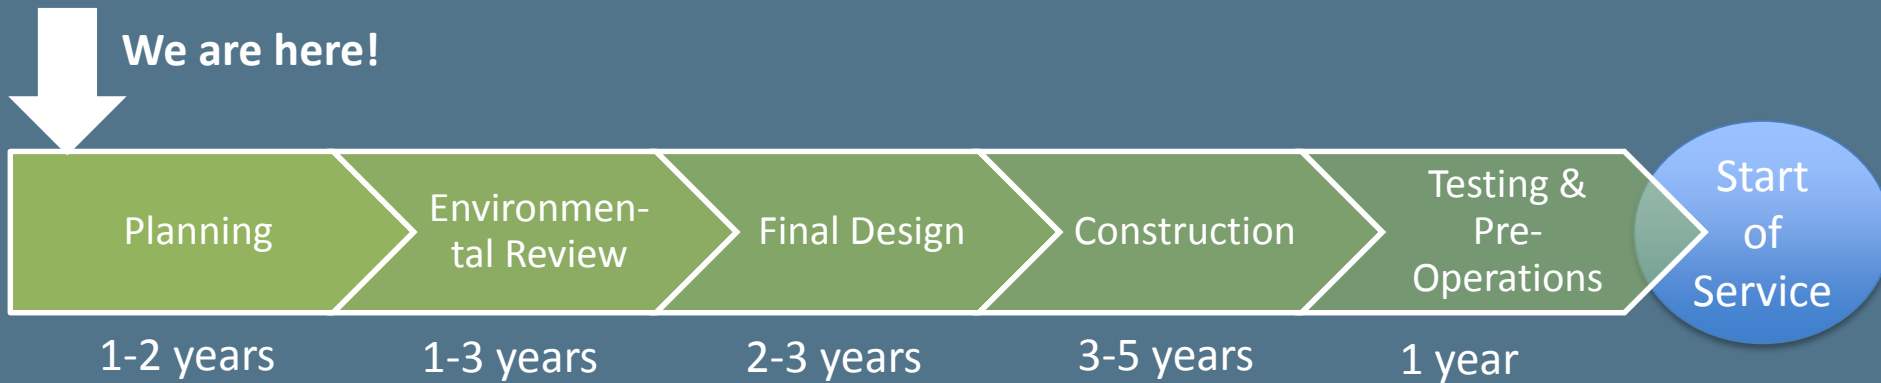

JULY 2017

## CONCLUSIONS RECOMMENDATIONS

WINTER 2017/18

# What is the typical lifecycle of this type of project?

## Recent Metro LRT Projects:

**Crenshaw/LAX Transit: 18 years from planning to opening day (2001 – 2019)**

**Regional Connector: 12 years from planning to opening day (2007 – 2019)**

# Thank You!
